Re: Update to 2007 10-K to reflect discontinued operations

Citi filed a Form 8-K to conform the 2007 10-K financial information to reflect discontinued operations (CitiCapital and the German retail banking operations). The information does not in any way restate or revise Citi's net income in any previously reported financial statements.

The reformatted 2007 10-K is now posted on Citi's Investor Relations website at <http://www.citigroup.com/citi/fin/sec.htm>.
