

# CitiManager<sup>®</sup>: Single Sign-On Card Program Management Portal

A simple, more efficient way for cardholders to access Citi's full suite of innovative online web tools.

In today's fast-paced, highly demanding business environment, having to manage a commercial card account can be time-consuming, keeping you from more critical responsibilities. The CitiManager<sup>®</sup> portal simplifies and consolidates access to Citi's full suite of online tools to save valuable time and increase productivity.

Citi's web-based global CitiManager portal provides you with a single point of access to apply for a Citi Commercial Card, view your statements and make payments.

## Card management simplified

The CitiManager portal eliminates the need to maintain multiple passwords or log in to multiple systems to manage your Commercial Card Account. Navigating from our secure portal using a single User ID and password, cardholders gain easy and direct access to Citi's innovative online web tools.

## Enhanced access to critical functionality

Once you log onto the CitiManager portal, you will have continued access to your current range of functionality with additional benefits right at your fingertips.

- **Access Account Information Conveniently**  
You can view your account summary and up to 13 months of payment history, at your convenience, 24 hours a day, seven days a week.
- **Make Payments Easily**  
You can initiate payments on your Citi Individual Bill Travel Card

## Benefits at a Glance

- **Simplified Access:** Improved user interface offers single, secure sign-on access to a full suite of innovative online tools
- **Powerful Functionality:** Intuitive navigation makes it easy to take advantage of Citi's robust tools
- **Improved Efficiency:** Save valuable time and effort managing your Citi Commercial Card account

Account in Citi's secure online environment at any time, from anywhere.

- **Access Valuable Resources**  
Your source for important information and updates, the CitiManager portal is an invaluable central repository for message boards, company links, as well as a library of user guides, tool demonstrations and online learning webinars.

### **Designed to meet your specific needs**

We listened to our cardholders and took the time to enhance CitiManager to meet your unique business challenges. As part of our commitment to constantly improve our offerings, we have invested in user-friendly technology that is as intuitive as it is convenient to use.

### **Why Citi?**

When it comes to increasing ease of use and efficiency of your Citi Commercial Card, Citi knows it's all in the details. Whether applying for a new card, verifying purchases made or seeking assistance with a charge, Citi is here to help you. As a trusted partner, Citi brings a wealth of experience and expertise, unmatched global capabilities and best-in-class customer service to support you.
