

Embracing the future.

Empowering success.

Award-winning solutions that anticipate evolving business landscapes. Delivered through an unparalleled global network, local experts and advanced technologies. That's the value we extend to our clients, helping them realise greater control, visibility and efficiencies to propel their businesses – today and in the future.

And so we're very pleased that *The Banker* named the Citi® Virtual Card Account – the industry's first global, multi-currency virtual card solution – the winner of their prestigious "Innovation in Payments Technology" award.

Because staying ahead takes thinking ahead, that's why Citi never sleeps. Please visit us at [www.awards.transactionservices.citi.com](http://www.awards.transactionservices.citi.com).
