Dear Ms. McNamara:

Thank you for your application for AFP Program Registration. We are pleased to inform you that your program, "Supply Chain Solutions in a Changing Trade Marketplace", has been approved for AFP program registration. **(A recording of this program is not approved for CTP/CCM credits. To be eligible, it must be accompanied with a quiz. Quiz score must be 80% or higher.)**

This program has earned registration for a period of one year following the date of this letter and is extended only to multiple dates and/or multiple locations held during this one-year period of registration. Should you offer this program again next year, a new program registration application is required. Program registration is non-renewable.

You are required to use the following tagline in advertising the program: **Approved for 1 CTP/CCM recertification credit by the Association for Financial Professionals.** Organizations are unable to deviate from this tagline or alter it in any way without prior authorization from AFP. Camera-ready copies of the CTP logos are also provided. In the event that these logos are used, *one must immediately precede the approved tagline with no intervening verbiage.* Organizations using the logos and tagline incorrectly will be charged a fee for their incorrect usage.

CTPs and CCMs earn one credit for every fifty minutes of qualified treasury/cash management continuing education activity. CTPs and CCMs are required to provide documentation of credits if audited. AFP requires sponsors to provide verification of attendance to participants if and when requested. Sponsors may duplicate and distribute *Attachment A - AFP Program Registration* for CTPs and CCMs to retain in their files. Comprehensive recertification policy information may be found on our Web site at [www.AFPonline.org/ctp](http://www.AFPonline.org/ctp).
