You are required to file an annual update renewal request with this office each year to remain on the NAIC List of Approved Mutual Funds. Notification to renew will be mailed to you approximately three months before the end of the 12-month cycle (on or around March 15th). You will be invoiced separately after our receipt of your renewal application and documentation. Failure to provide appropriate documentation and/or payment in a timely manner will result in the removal of the fund from the NAIC List of Approved Mutual Funds. **Please, note well, that to be reinstated you will be required to complete an initial filing application and to pay the initial filing fee of \$500.00.**
