Trading with China

Citi's Trade University is pleased to present this session focusing on China as a marketplace. This country has been noted as the fastest-growing export market in the world: it is estimated that nine out of ten global mid-sized and large companies are now doing business with China.

Join us to learn more about China's background and environment, as well as financing solutions that can assist you and your clients in global trading with this market.

Earn CTP/CCM re-certification credit!

Now you can earn CTP/CCM re-certification credit through Citigroup's Trade University!

For a link to our frequently asked questions, click here.

Each Webinar is approved for up to one CTP/CCM re-certification credit by the Association for Financial Professionals.

We invite you to log on . . . and graduate to a new level of trade intelligence!

If you have questions or find you need to reschedule once you've registered, please contact tradelearning@citigroup.com
